anninai	Product Type	100cm Electric Ceramic Range Cooker
	Short Product Description	100cm Electric range cooker with a 5 zone ceramic hob +1 warming zone, fanned main over conventional second oven, separate grill, and storage compartment
	Long Product description	Belling Range Cookers have been at the heart of UK homes for more than a century, and they'll be there for you for many years to come. At 100cm wide, this mid-size electric Cookcentre model is the versatile choice for many kitchens – with a sleek finish for a modern, contemporary look. Within its larger frame, there's a huge 194 litres of cooking capacity and a host of feature designed to make cooking simple. You can choose between two electric ovens: a convention electric second oven, and the fanned main electric oven with a variety of different function. This includes the AirFry function and tray, which puts all the time-saving benefits of this appliance back into your oven (freeing up space on your countertop.) Then up on the ceramic hob, you'll find five different cooking zones and a dedicated warmi zone, giving you the space to sauté, simmer and sizzle. You can rely on this Belling Range Cooker to help you make more memories around the din table. With its contemporary looks, all the size and a stylish choice of finishes, the Cookcentre
	Range Overview	Collection has turned out beautifully. The result is a perfectly engineered cooker, that'll he you turn out the perfect meal every time.
		you turn out the periect meal every time.
